Please review the attached draft memoranda on subject and by COB Monday, 19 July, provide us with your comments/concurrence. (#1-4: If you need more time to coord. with principals, let us know as deadline is flexible.) (U)

These memos redesignating CIA SI/TK control officers and asking all components to update us on their control officers are necessitated by recent organizational changes and the imminent dissemination of SISIR Part I (COMINT control) and the IPM. (C/TKC)

Attached to refresh your memory on subject is the memo in which we all concurred last fall, the last time we visited this subject. We do not intend to attach it to the current memos forwarded to the principals, as it is only likely to confuse. (U)

Please return these working papers to us for destruction, as they are not number-controlled. (U)
